Questions for beta readers

Fiction

- Was there a point(s) at which you became less than excited about finding out what was going to happen next?
- Where did you get bored / stop reading?
- Did any parts lack credibility?
- Was there anything that confused or frustrated you?
- Could you relate to (the main character)? Did you feel his/her pain and uncertainty?
- Were the characters sufficiently developed?
- Did you find anyone annoying?
- Was the ending satisfying? Believable?
- What did you like best about the book?
- What was the novel's biggest weakness?

Nonfiction

- Based on the blurb, did the book meet your expectations?
- Did it deliver the transformation, information or promise you hoped for?
- Were any parts of the structure confusing or repetitive?
- What was included that felt superfluous?
- Were any topics missing that you would have liked to see?
